Around North Davidson in 180 Days . . .

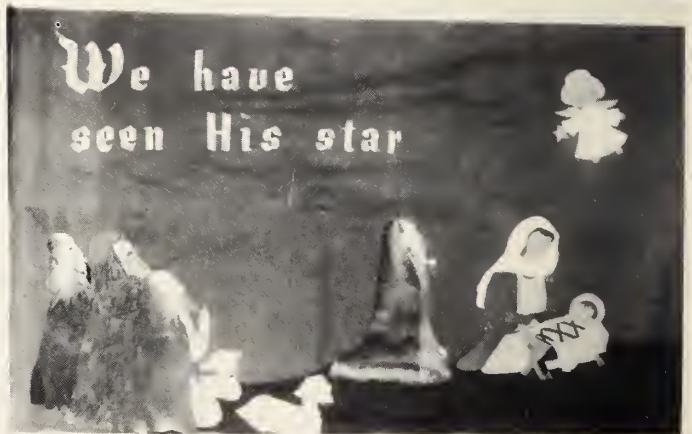

We, the staff, have chosen this as the theme for the 1963 NORDAHI. As you turn through the pages to follow, you will be taking a whirlwind tour of our old Alma Mater, recalling many fond and sad memories of our high school days at N.D.H.S.

Everyone loves a parade, especially all Black Knights at Homecoming time.

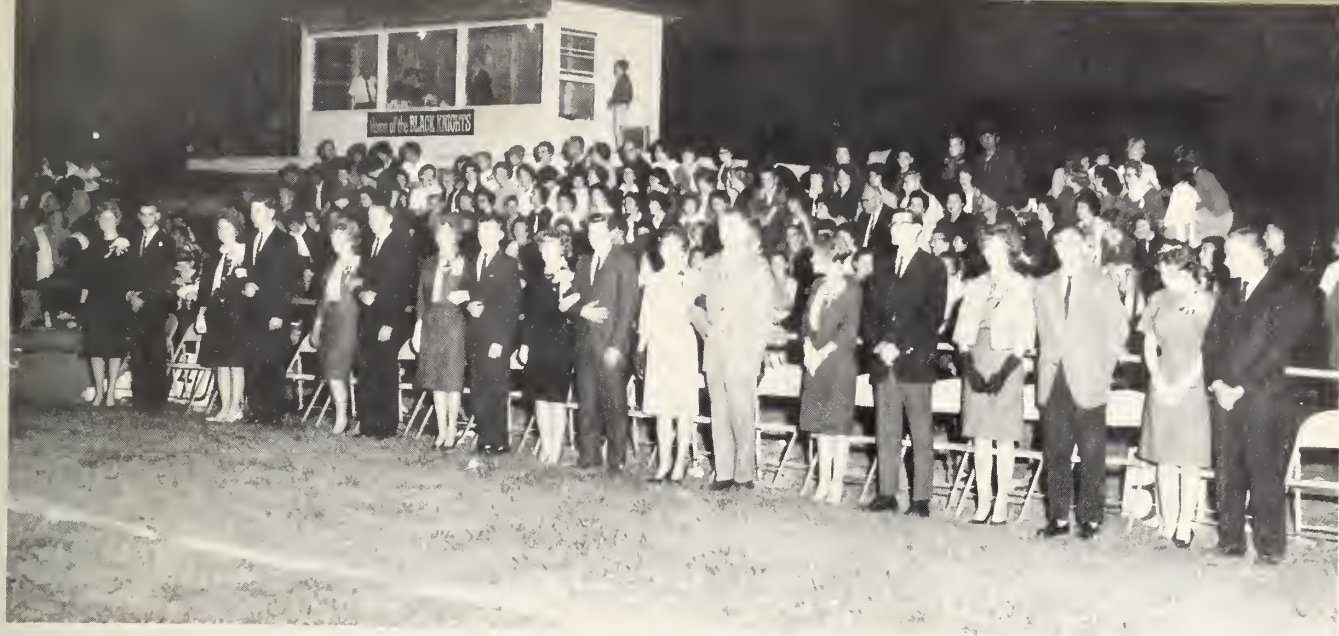

Fighting its way to victory is our football team.
My, aren't we friendly with teachers!

During the Christmas season many artistic and beautiful bulletin boards could be seen around North Davidson.

Our band entertains us at a basketball game.

While spectators look on, our Homecoming court and queen are announced.

Beauty is represented by these lovely Homecoming Queen contestants.

Exciting things, both good and bad, are always happening at N.D.

Mike and Kenneth leading our team to victory.

Break-time is a busy time.

In Deep Appreciation, We Dedicate . . .

Mr. Lewey Alexander has exemplified that the highest function of the teacher consists not so much in imparting knowledge, although in this he is most proficient, as in stimulating the pupil in its love and pursuit. He has used his intellect not only for his own seeing but that his students may see the shining and learn their way.

Principle, integrity, and independence is the life and essence of his character. Socrates once said, "The shortest and surest way to live with honor in the world is to be in reality what we would appear to be."

We, the annual staff of '63, take pride in dedicating the 1963 NORDAHI to you, MR. LEWEY ALEXANDER, for we believe you truly live with honor.

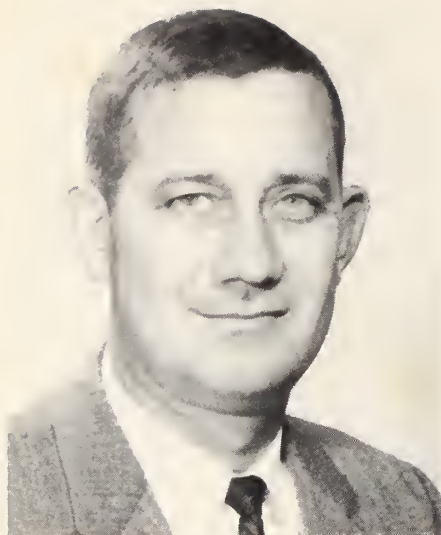

Here we see Mr. Alexander in a favorite pose in his class room.

When a student is in need, Mr. Alexander is always around as a helper.

Small, yet great... Great, yet humble... Our eyes always turned to the future... Filled with ambition and hope... Waiting, always waiting—for classrings, the senior trip, and graduation... Then to college, marriage, or employment... Remembering that "Knowledge comes, but wisdom lingers."

Class Poem

You have served us well, N. D.
You have enriched our days,
Since we have traversed through your halls
We'll remember you always.

We are thankful to our teachers,
And we appreciate
The efforts made in our behalf,
That we might graduate.

Our sports events have taught us
Good sportsmanship is wise.
And through our clubs and parties
We've learned to socialize.

We look into the future now
With excited mind and heart;
Knowing all the while that God
Was with us from the start.

And as we make our exit,
We hope that you will be
As proud of us, as we of you
—The class of '63.

Our Successful Sophomore Year

We entered as wondering freshmen, anxious to meet new friends, and ready to meet all obstacles. We emerged as sober sophomores, a little older, a little wiser. We dreamed of becoming seniors, for '65 will be our golden year.

May Court and Queen of 1962

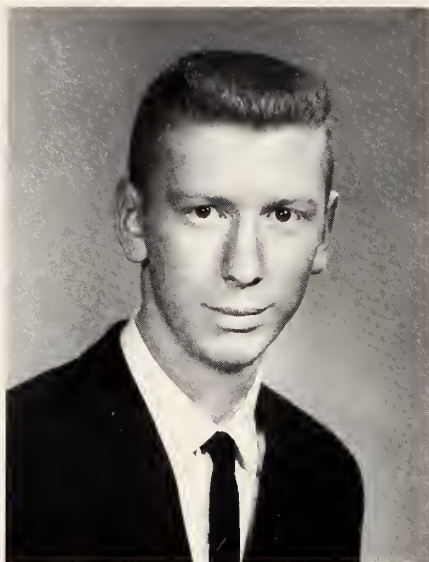

On Friday, May 4, 1962, the Future Teachers of America of North Davidson High School presented the annual May Day Pageant. The theme this year was "Indians to Astronauts." This theme was carried out by the following dances: an Indian war dance, the Virginia reel, a waltz, a square dance, the Charleston, and Rock Around the Clock. The highlight of the evening was the winding of the May Pole by the May Court.
